

Math Team & Math Club

We

Math!

Our next meeting is at 2:00 on Wednesday, October 14th, in B272.

We'll be discussing past AMATYC exams, learning more about the TI-89, talking a little bit about the history of math, doing a little bit of math magic, having some treats, and much, much more!

**For more information, contact
Mark Omodt in H110 or Adam Krenelka in H106 or
